Basel, 21 January 2021

Liste Art Fair Basel has been postponed and will take place from
20 – 26 September 2021 at the same time as Art Basel.

The decision to postpone Liste Art Fair Basel 2021 to the autumn was made in close consultation with Art Basel and the previously announced location of Messe Basel for the 2021 fair remains in place for the new dates. The digital platform, Liste Showtime Online, will run parallel to the fair in September.

The uncertain prognoses for the further development of the pandemic in the early summer months and the prospect that the vaccinations will improve travel conditions considerably by autumn prompted the Liste team to take this step. As Liste Art Fair Basel presents galleries from over 35 countries to an international audience in Basel, it is of the utmost importance that the exhibitors and visitors are able to make secure plans as well as have the safest and best possible conditions to travel to, participate in and visit the fair.

Additional details and information about the fair, Liste Showtime Online and other new initiatives will be provided in the coming months. If you have any questions, please do not hesitate to contact us at press@liste.ch.

Warm regards,
